ONE PAGE RECAP OF YOUR LARGE SCALE TRAINING 2012

- For our large scale training we partnered with Dirty Martini during their Anniversary week celebration. We collaborated on three events that week the Mixing Mixers Mixology Competition, the Masquerade Ball and Michael Romeo's Birthday Party. At the mixology competition we promoted Salted Karamel with a drink called Peanut Brittle Pig. I was also on hand to answer questions and promote to the 400 industry professionals that attended. For the Masquerade Ball we had an open Stoli Indulgent bar featuring cocktails made with the 3 indulgent flavors. Michael Romeo's birthday was fun for all with Stoli bottle service and a gift of a Magnum of Stoli Elit to Michael Romeo who owns Dirty Martini, FUR, Tattoo, Midtown, Lotus night clubs in DC.
- This event was incredibly successful, establishing Stoli as the vodka of choice at Dirty Martini and solidifying relations with the owner of a number of very popular nightclubs in DC. We reached over 1000 consumers and 400 industry professionals.
